

Flitwick and Ampthill Tennis Club

Tennis at the Heart of Bedfordshire

If you are an experienced player, a total novice, or a young person wanting to start playing tennis, you will find that Flitwick and Ampthill Tennis Club is the place to be. All standards are catered for with social tennis, match tennis and coaching available. With eight courts, four all weather and four carpet (the latter being floodlit for evening play) there is always the opportunity to play. Balls are provided.

We hold tournaments suitable for all abilities which take place in both summer and winter where you can play with and against other club members.

There is an active social scene and many events take place including a Quiz Night, Post Tournament barbeques, Christmas Dinner and disco, plus much more.

Coaching always available

Whilst you may be an experienced player there is always room for improvement and with the assistance of our expert coaching team – led by Head Coach Terry Mabbitt – you will be able to get the tips and advice that you need at a reasonable cost.

Should you be new to the sport, or starting to play again after a break, it may be worthwhile having some lessons to get you on the right track and you may find this a worthwhile investment.

If you are a young person and you want to start playing or improve there are regular group classes held suitable for your age and ability. Group and personal one to one coaching is always available. Please contact Terry Mabbitt at Top Spin Racquets on 01525 715214

Highly Competitive – if you want

Flitwick and Ampthill Tennis Club offers not just social tennis, but competitive tennis against other clubs.

The Club enters over twenty teams, of varying ages and abilities, with both mixed and even doubles teams in both the Bedfordshire County and South Bedfordshire Leagues. We also enter the National Inter Club Knock Out tournament, and the National Veterans Tournament.

During the course of the summer the club championships take place with singles, doubles and junior events where players play competitively against their fellow members, ending with a special Finals Day held in September every year.
